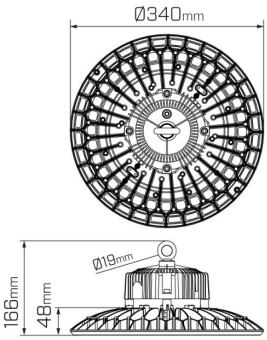
Empire Plus II

HIGHBAY



Product Code

MH32

Technical Description

Energy efficient industrial LED highbay lighting with quick ROI

The thin profile of the Empire Highbay makes it an ideal lighting solution for low ceilings in wet and dry locations such as warehouses, logistics centres, production workshops, storage facilities, commercial spaces, etc. Suspend this lightweight fitting with a chain (not included) for higher ceilings.

The patented heat sink thermal management ensures that the LED's heat is dispersed effectively - even in demanding environments - for a high lumen output and long product lifespan of 100,000H

Electrical Specifications

System Power	163W
Input Voltage	240V
Control Type	ON/OFF, 0-10V/1-10V
System Efficacy (max.)	158lm/W

Photometric Info

Luminaire Lumens	25800lm
CRI	CRI70
CCT	4000K
Beam Angle	120°x120°

Physical Characteristics

Installation Method	Suspended
Trim Finish	Black
IP Rating / IK Rating	IP65
Fitting Material	Aluminium
